

# Year 10 Parental Reopening Agreement

Thank you for confirming your intention to allow your Year 10 son/daughter to return to Outwood Academy Normanby for a weekly, small group face-to-face academic mentoring session.

We understand that your decision will have been based on a number of factors, including your satisfaction with arrangements in school to ensure government guidelines for 2m social distancing, regular access to hand sanitiser and so forth. It will also have been based on our insistence that all students adhere to these expectations.

Please can you read and discuss the expectations and actions below with your child, and sign to confirm that they agree with, and will adhere to them. Please also confirm the required emergency contact details for you. Finally, please note you are signing to confirm that should we need to contact you whilst your child is in the academy, the telephone number provided will be answered immediately.

**Please ensure your child returns this signed agreement on their first scheduled day back.**

Thank you.

## Parental/Student Agreement

I/we confirm that:

- a) my child and I have accessed the webpage for Year 10 reopening at [www.normanby.outwood.com/reopening](http://www.normanby.outwood.com/reopening) and have read, watched and understood the guidance provided regarding safety and social distancing
- b) my child will follow all instructions from members of staff, including to adhere to 2m distancing from others, and will conduct him/herself safely at all times
- c) my child will maintain 2m social distancing when travelling to and from the academy, and will line up as directed upon arrival
- d) should I drop my child off at school by car, I will only park in the Visitors' car park, and will await confirmation for when it is safe for my child to exit the vehicle
- e) my child will not bring items into school, such as equipment, as this will be provided and kept in the academy, and will remain for the sole use of my child during the remaining summer term
- f) my child will not bring food or drink into the academy, as their time in the building is limited and this will reduce the need to use toilet facilities
- g) should the school contact me on the number below, during the time when my child is scheduled to be in school, I will ensure the call is taken promptly
