Dear Parent/Carer

### **Survey for Y6 - Y10 parents on student shielding and ICT access at home**

I hope you and your loved ones are well in these extremely challenging times.

I write to ask for your help regarding a quick turn-around for a very short online survey. As you will be aware, government guidance regarding lockdown measures, and the phased reopening of schools, is changing often at the moment, and we are working hard to keep track of the changes and plan accordingly.

**It is really important that we quickly establish an idea of the number of students from our families that are likely to be 'shielding' in September.**

**It is also important that we have an up-to-date idea of each of our student's access to ICT technology and the internet when at home.**

Please can you follow this link to our online survey that takes a minute to complete. The link is [here](#) or copy this into your browser: <https://forms.gle/AHEywZA76AFa9LT08> We have texted the link to mobiles of all priority one contacts, and posted this on social media too.

**I would be very grateful if you could complete this survey link by 4pm on Thursday 25 June at the latest.**

Thank you for your continued strong support, it is very much appreciated.
