Dear Parent/Carer

Re: Former Wonde Free School Meal Vouchers - Expiry 17 July 2020

As you will be aware, at the very beginning of lockdown in late March we initially used a company called Wonde to issue free school meal vouchers via text. In late April the government announced its National Voucher Scheme, and so we were required to switch to Edenred for vouchers that are currently emailed to parents.

We have reviewed the free school meal vouchers that were issued by Wonde back in April, and have found that a number of these are still unclaimed by the parents who received them. We resent out the links for these unclaimed vouchers during the week commencing 15 June to help ensure that parents/carers were aware and could claim them.

If you have not yet claimed the vouchers issued to you by Wonde, please can you do so as soon as possible. As a reminder, once you have selected a supermarket to use, and claimed the voucher, you then have a period of time before it needs to be spent. This amount of time varies by supermarket. **It is important to note that any vouchers not claimed before the last day of term Friday 17 July 2020 will automatically expire and will no longer be available for you to claim.**

Should you have had any difficulties in claiming your original March/April Wonde vouchers, or have not received a reminder text or email to claim them and would like assistance in doing so, please contact us via enquiries@normanby.outwood.com as soon as possible.
