

# Year 9 One-to-one Parental Agreement

Thank you for confirming your intention to allow your Year 9 son/daughter to return to Outwood Academy Normanby for a single, one-to-one session with a teacher for around 15-20 minutes before the end of the summer term. We really appreciate it.

We understand that your decision will have been based on a number of factors, including your satisfaction with arrangements in school to ensure government guidelines for 2m social distancing, access to hand sanitiser and so forth. It will also have been based on our insistence that all students adhere to these expectations.

Please can you read and discuss the expectations below with your child, and sign to confirm that they agree with them. Please also confirm the required emergency contact details for you, and that should we need to contact you in an emergency,, the telephone number provided would be answered immediately.

**Please can your child bring this in for their session, or you can email a photo of it to [partialreopening@normanby.outwood.com](mailto:partialreopening@normanby.outwood.com)**

Thank you.
