

1 February 2023

Dear Parents/Carers,

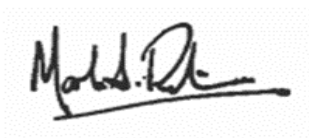

I am delighted to invite you and your child to our **Year 11 Revision Evening for parents and students at Outwood Academy Normanby on Thursday 9 February 2023.**

The aim of this evening is for you to understand the vital last few months ahead for your child as they begin to reach the crucial GCSE preparation and examination process. Through understanding how we will educate and support your child in school over these last few months you will be able to continue to support them in their studies at home and together we can ensure your child achieves the success we all want.

During the evening we plan to cover the importance of attendance, share with you proven revision techniques that will support your child in their learning and share both the key information from the subject areas as well as the support we can offer in school.

The evening will start at 5:00pm . A meal and drinks will be available on arrival and after this there will be presentations and an opportunity to talk with staff. If you would like to join us for the evening please complete this [link](#) by Tuesday 7 February 2023 10am. This link is a google form that will inform us on who would like a meal so we can order the appropriate amount of food. If you would like to attend but do not require a meal, please complete the link and indicate this as this will help us determine how many parents/carers will be attending.

We look forward to welcoming you and your child into our school and sharing with you the key information you may need to support your child's studies over the coming year.

Mark Robinson
Principal
