

Transition Booklet 2022

About your new school:

Outwood Academy Normanby

Moving from Primary to Secondary School is an exciting, but sometimes scary time! A new building, new rules, new teachers, new systems and new friends are just some of the changes you will experience, however this booklet will help you become familiar with some of the routines and features of Outwood Academy Normanby.

Principal's Welcome

I am so excited to be able to welcome you to Outwood Normanby! I hope that you are looking forward to joining our friendly and supportive school community too. Here, we all aim to work hard, and be kind.

Since we opened in September 2019, all of our staff have been relentless in ensuring we provide all the opportunities that our students need to make good progress in their learning, feel safe, and enjoy their time with us. We push our young people to believe in themselves and want to do well.

We value our students' ideas and opinions, and we have a strong student council, with elected student leaders. It is important you feel confident in sharing your thoughts on what we do well, and how you feel we can all work together to make Outwood Normanby even better still.

We want you to take pride in your achievements and we enjoy sharing our student successes within school and with our supportive local community. If you haven't already, take a look at our website, Instagram, Twitter or Facebook page! These really do give a flavour of life at Normanby every day.

We are lucky to have dedicated teachers and support staff who are all keen to meet you, find out how amazing you are, and help you settle in quickly. I am also looking forward to getting to know you soon. I am known for always visiting lessons, and meeting students regularly at break, lunchtimes and before and after school too! It will be my pleasure to lead our support of you during your first year and beyond at Outwood Academy Normanby.

Enjoy the summer, stay safe, see you in September!

Andrew Wappat, Principal

What you need to know:

Uniform

Below shows what you will wear for your uniform, there is further detail to this on our school website: <https://www.normanby.outwood.com/uniform>.

Girls	Boys
<ul style="list-style-type: none"> ● Black trousers or skirt with OANo logo ● Black tights (with skirts) (min 40 denier) ● Plain black socks (with trousers) ● Academy blazer with OANo logo ● Academy jumper with OANo logo (optional) ● Academy or plain white shirt ● Academy clip-on tie ● Plain black shoes (flat)- No trainers, boots or logo/ badge 	<ul style="list-style-type: none"> ● Black trousers with OANo logo. ● Plain black socks ● Academy blazer with OANo logo ● Academy jumper with OANo logo (optional) ● Academy or plain white shirt ● Academy clip-on tie ● Plain black shoes – No trainers, boots or logo/ badge
PE Kit- boys and girls	
<ul style="list-style-type: none"> ● Purple Academy polo top ● Purple/black Academy reversible games top ● Black Academy shorts ● Plain black knee length games socks ● Indoor and outdoor trainers 	

What else you will need

You will also need to bring a bag large enough to fit an A4 workbook, a planner and your equipment. The equipment you should always bring to school with you is listed below:

- A black pen
- A red or green pen
- A pencil
- A ruler
- A pencil case

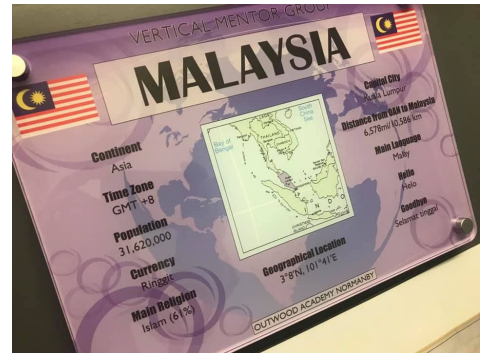

This diagram should help you fill in the table of what else you might need.

What you need to know: Tutor Groups

This is a form group you meet with every day for 20 minutes as part of your timetable, and is named after a country. In the daily 20 minute tutor sessions you will engage in lots of activities including numeracy, literacy, current affairs task, wellbeing tasks and many more.

Your tutor is the first member of staff you should go to if you need anything, alongside your Learning Manager, Mrs Laverick. S/he will monitor your rewards, behaviour, attendance and academic progress. There are competitions between the continents for attendance, spellings, sports events and more!

Rewards and Behaviour

We place great importance on rewarding students who are “getting it right”. Just some of the rewards we give out are:

- Weekly attendance prize for best/most improved tutor group
- Weekly Family Feast takeaway prize draw for 100% attendance that week
- End of year free trip for 100% attendance
- Juice and cookies with the principal for good effort in lessons
- Postcards sent home from teachers for working hard

However, sometimes when students don’t “get it right”, they will be placed into our consequence system to help. In the classroom, this will consist of a student getting three warnings (C1, C2, C3) and if the student does not modify their behaviour that is distracting others, they are given a C4, meaning they need to leave the class and go a central room for the remainder of the lesson which is staffed by senior leaders. The likely consequence of being removed from a lesson is a detention the following evening.

Full details of our behaviour policy can be found on our website under Information > Policies.

Lunches

WEEK 1 MENU

MEAL DEALS
£2.54
(See signage for details)

Autumn/Winter 2020-21

F	COD AND CHIPS	CHEESE & ONION QUICHE	BANANA CAKE

Lunches are held in our dining area, and we have a large Robertson catering team. Year 7 students will have lunch time together as a single year group, and there is a wide variety of food available.

Lunch menus roll on a 3 week programme. To the left you can see our 2020 menu which shows hot meals available each day, as well as the cost of a meal deal.

You will also notice that there is a selection of sandwiches, paninis, pasta pots, salad and jacket potatoes available every day as well.

Students are welcome to bring a packed lunch if they would prefer.

We are a cashless school, meaning parents will use an online app called ParentPay to put money on their child's account so they can purchase food (unless your child is on free school meals, then there is no need to do so).

What you can expect to see in lessons

- **A 'Topic Question' and a 'Lesson Question'** – The Topic Question will be something that you will be expected to be able to answer by the end of the topic. The Lesson Question will be something you are expected to be able to answer by the end of the lesson.
- **A praise board** – we love to make sure you are rewarded for focused learning, positive contributions, good manners and being respectful of staff and peers. Postcards, stickers and half termly rewards are given to those students who persistently get on the praise board.
- **A consequence board** – disruption of learning and warnings for this will be placed on the consequence board. If your name appears on this board try to focus more on your learning or talking to your teacher about your work or if there is a problem. If you reach a C4 (after 4 warnings) you will receive a 30 minute detention and be asked to leave the classroom for the remainder of the lesson.
- **SLT (Senior Leadership Team) and Learning Managers visiting your lessons** – Senior staff and your Learning Manager love to see all the amazing work you are doing in lessons. It is normal for them to come in to chat to you about your praise, consequences and the work you are doing. Some of you may be lucky enough to receive an SLT postcard.

What you are expected to do in lessons

The 3 main expectations are that students:

- Be safe
- Be respectful
- Be responsible

We ask that all students come equipped to lesson with the correct stationery, their planner and a positive attitude towards learning. At the start of every lesson planners should be on desks, equipment should be out and you should be looking at your teacher ready for instruction.

The following boards are displayed in classrooms and act as a reminder for how we expect students to be respectful in lessons:

STAR

When a teacher says “3, 2, 1, STAR” in a lesson, this means they need you to stop what you are doing and give your full attention.

STEPS:

When you are addressing staff, to be respectful we expect Students to follow STEPS.

Be phenomenal and remember...

What other opportunities you will have here

Student council

If you join the student council, you will be part of a student body who discuss key issues and be part of improving aspects of the academy. We hold whole school elections for Minister positions of different areas to be in charge of, e.g. Minister of Charities.

Student ambassadors

If you become a student ambassador, you will be part of a group of students who represent the academy at events such as open evenings, parents evenings, educational visits and many more.

Enrichment clubs and sporting teams

Four days a week from 2.30-3.30pm we run enrichment clubs and sporting events. These are optional as they are held after school, but are a great way to learn new skills and meet new people. Below are just some of the clubs we have ran throughout the year:

- Crafts and Textiles
- Random club
- Football
- Rugby
- Basketball
- Music club
- STEM club
- Cooking club
- Theatre production club
- Art club
- Duke of Edinburgh Award Scheme

What you need to know:

What we don't allow in school

- Mobile phones and gadgets including MP3 players, headphones, smart watches
- Nail Polish - nail polish and any type of false nails are not allowed.
- Jewellery - Only a wrist watch/medic alert necklace or wristband are allowed. If you are having your ears pierced, please do this at the start of summer holidays, as earrings are not allowed, and must be removed before entering the school.
- Make-up - students will be asked to remove makeup if worn and noticed by a member of staff.
- Henna - Henna is not allowed in the Academy and must only be applied during the Summer break in order for it to fade away before September.
- Unnatural hairstyles or colours - hairstyles and colours must be sensible. Hairbands & accessories must be purple or black.
- Chewing Gum
- Some outdoor coats- hoodies, fur, denim and studded leather jackets are not allowed.
- Items of clothing not on the uniform list
- Energy drinks, fizzy drinks and excessive quantities of junk food (e.g. large bags of sweets, sharing bags of crisps)

Frequently asked questions from new students

Below are questions we are frequently asked by students during transition week, however if you have any of your own questions, please email l.ritchie@normanby.outwood.com There are also answers to questions that parents often ask us, on our website Transition Page here: www.normanby.outwood.com/transition

What if I am late to school?

If you are late to school you will be signed in with a late slip and, unless there is a genuine reason which has been confirmed by a parent, you will receive a detention.

What if I am ill?

Your parent will need to phone school on the morning of your absence and every following day you are not in school on 01642 454577.

What if I become ill at school?

If you feel ill at school, you will need to go to the Attendance Office (located next to reception) and speak to one of the attendance team.

Who can I talk to if I am worried about something?

Your tutor should be your first contact if you have any worries or concerns. This is a member of staff you see everyday for 20 minutes during tutor period. You also have a Learning Manager, Mrs Laverick, who will be available to support you.

What if I get lost?

You will be given a map of the school in your planner to help you navigate around the building. However if you do get lost, there will be plenty of staff and students on the corridors to help you find your way to your lesson. Don't worry about getting lost, we don't expect you know your way around in your first week!

A letter from one of our Year 7s

Below is a letter written by one of our fantastic Year 7s, Olivia Brown

Dear Year 6,

When first joining year 7, it will be scary since you are moving somewhere new with lots of new people. Although the first few days, admittedly, you will feel nervous, after that you will make lots of new friends and you will be feeling settled in no time.

The first few weeks you may need help finding your classes but don't worry or feel anxious about this because you can ask anyone and they will help you. Also you're not the only one going through this. Everyone feels like this too!

In lessons the teachers help you and the lessons are really fun. Personally, my favourite lessons are art, drama and design technology. Also at lunch and break time you can meet up with your friends from primary and your new friends. I'm excited to meet you all.

Good luck and best wishes,

Olivia Brown
