

10 July 2023

Dear Parent/Carer,

As we approach the end of the school year and finalise our preparations for September 2023, including welcoming the new Year 7 cohort for their transition week, I would like to inform you of some changes to the pastoral support being provided in school.

Following the summer break we will have a team of Pastoral Support Officers, Learning Managers and Pastoral Leads, who will work alongside the Senior Leadership Team to provide the best support to our students.

As part of this structure, there will be a small number of changes made to the specific year groups, which Learning Managers and Pastoral Leads will work most closely with.

From September 2023 the following staff will be linked to each year group:

**Year 7** - Mr Hughes (Learning Manager) & Mrs Ritchie (Pastoral Lead)

**Year 8** - Miss Allan (Learning Manager) & Mrs Ritchie (Pastoral Lead)

**Year 9** - Miss Laverick (Learning Manager) & Mr Martin (Pastoral Lead)

**Year 10** - Mrs Jackson (Learning Manager) & Mr Martin (Pastoral Lead)

**Year 11** - Mrs Murphy (Pastoral Lead)

Over the final two weeks of term, students will continue to receive support from their existing Learning Managers and Pastoral Leads, whilst a period of transition takes place to the new staff linked to their year group cohort where this is applicable.

Yours faithfully,

Mark Robinson  
Principal
