Dear Year 11 Parent/Carer

Year 11 After School Enrichment – Mondays, Wednesdays, Thursdays, Fridays 2.30pm-3.30pm

As you know, over the next year we will be working with your child in order to prepare for their GCSE examinations next summer. Part of that preparation is their enrichment sessions at the end of the school day, and we write to you today to ask for your support. It is important that **all** of Year 11 attend our after school enrichment sessions from Monday 12 September, which run 2.30-3.30pm on Mondays, Wednesdays, Thursdays and Fridays.

Regular attendance gives students an extra four hours per week with their subject teachers to work on revision strategies, consolidate learning and subject specific support. High attendance at enrichment last year was one of the ways individual students were able to secure success with their GCSEs, and the commitment shown and work achieved during these sessions allowed teachers to personalise support in order to challenge students further.

We strongly encourage students to attend by visiting each child personally, issuing a white invitation sticker in your child's planner. During each enrichment, we will issue 'medal' stickers so you are aware if your child has attended, and will also communicate this in a text message. We are grateful to our teachers too, giving their time willingly after school to support our Year 11 students in this way.

The after school sessions start this week and are as follows:

Mondays – Science　　　　　　**Wednesdays** – Maths

Thursdays – English　　　　　　**Fridays** – Option Subjects (on 4 weekly rotation)

We look forward to your continued support with ensuring attendance at every session. If you have any queries, please contact Miss Gibson c.gibson@normanby.outwood.com

Yours faithfully,

Miss Christy Gibson
