

13 June 2022

Dear Parent/Carer

### **Year 11 Exam Timetable and Masterclasses from Tuesday 14 June**

We have been very happy with the conduct of Year 11 during the GCSE examinations so far, with two weeks still to go. We've had huge, record turnouts each day for our 7.30am Revision Sessions (followed by a bacon buttie) ahead of each morning's GCSE examination. Our hard working students appear to have appreciated those sessions, alongside all the other support on offer, including support during after-school enrichment and masterclasses before afternoon examinations too. Thank you SO much for your support in encouraging attendance at such opportunities, and for your help with earlier transport to school.

We still have some examinations for the whole of Year 11 in Science, and also a number of Option subjects too. However, we are conscious that there are now a number of subjects, including Maths and English, where all exams have been completed.

Year 11 will still have the majority of their time in school between now and the final GCSE, but will follow a mixture of revision breakfasts, masterclasses, GCSE examinations and study leave for the remaining two weeks.

These will be as follows:

#### **Tuesday 14 June:**

**All Geography students in school for 7.30am Revision Session and GCSE morning exam**  
**All other students arrive at 10.45am for Science (Biology) Masterclass Periods 3 & 4**  
**All Year 11 leave at 1.30pm**

#### **Wednesday 15 June:**

**All Year 11 students in school for 7.30am Biology Revision Session and GCSE morning exam**  
**All DT students remain for DT Masterclass and GCSE afternoon exam**  
**All History students remain for History Masterclass Periods 3 & 4 and leave at 1.30pm**  
**All other non-History/DT students leave after Biology exam at 10.30am**

#### **Thursday 16 June:**

**All History students in school for 7.30am Revision Session and GCSE morning exam**  
**All Year 11 leave after History exam at 10am**  
**French student arrives 11am for French Masterclass Period 3 and GCSE afternoon exam**  
**All Spanish students arrive 12pm for Masterclass Periods 4 & 5 and leave at 2.30pm**

**Friday 17 June:**

**All Spanish students in school for 7.30am Revision Session and GCSE morning exam  
All other students arrive at 10.45am for Science (Chemistry) Masterclass Periods 3 & 4  
All Year 11 leave at 1.30pm**

**Monday 20 June:**

**All Year 11 students in school 7.30am Chemistry Revision Session and GCSE morning exam  
All Year 11 leave after Chemistry exam at 10.15am**

**Tuesday 21 June:**

**All Catering students in school 9.45am Masterclass Periods 2 & 3 and GCSE afternoon exam  
All other Year 11 students revise at home**

**Wednesday 22 June:**

**All Further Maths students in 9.45am Masterclass Periods 2 & 3 and GCSE afternoon exam  
All other students arrive at 10.45am for Science (Physics) Masterclass Periods 3 & 4  
All Year 11 apart from Further Maths leave at 1.30pm**

**Thursday 23 June:**

**All Year 11 students in school 7.30am Physics Revision Session and GCSE morning exam  
All Year 11 leave after Physics exam at 10.15am**

Further details about the Leavers' Breakfast Assembly, Shirt-Signing and Prom will follow in a letter next week.

If your child would prefer to study in school we will provide facilities for this to happen within our library/LRC.

If your child qualifies for a free-school meal and is due to leave before lunch, they are more than welcome to collect a cold packed lunch grab bag.

Thank you for your ongoing support during this examination season; it is very much appreciated.

Yours faithfully

Andrew Wappat  
Principal
