

12 September 2023

Dear Year 11 Parent/Carer,

Year 11 After School Enrichment – Monday, Wednesday, Thursday and Friday 2.30pm-3.30pm

We are delighted to be writing to you at the start of year 11 with an update about year 11 enrichment. Our staff will be supporting your child throughout this year in order to prepare for their GCSE examinations next summer. Part of that preparation is their enrichment sessions at the end of the school day, and we write to you today to ask for your support. It is important that **all** of Year 11 attend our after school enrichment sessions from Monday 18 September, which run 2.30-3.30pm on Monday, Wednesday, Thursday and Friday every week.

Regular attendance gives students an extra four hours per week with their subject teachers to work on revision strategies, to consolidate learning and benefit from subject specific support. High attendance at enrichment last year was one of the ways that individual students were able to secure success with their GCSEs, and the commitment shown and work achieved during these sessions allowed teachers to personalise support in order to challenge students further.

We are grateful to our teachers for giving their time willingly after school to support our Year 11 students in this way.

The after school sessions start this week:

Monday – Maths

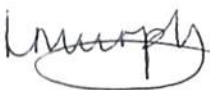

Wednesday – Science

Thursday – English

Friday – Option Subjects (on a 4 weekly rotation)

We look forward to your continued support with ensuring attendance at every session. If you have any queries, please contact Mrs Murphy l.murphy@normanby.outwood.com.

Yours faithfully,

Mrs Lucy Murphy
Pastoral Lead

Dr Mark Robinson
Principal
